## A BAR FOR COLOGNE AND THE WORLD

It's the focal point and social hub of every hotel – no surprises, then, that the bar is the beating heart of Cologne's Excelsior Hotel Ernst. This is where our guests get to know one another – and in open-hearted Cologne the conversation always flows freely. The Charles Bar, named after hotel proprietor Charles Roulet, is the ideal place in which to savour time. Because for Roulet time is the ultimate luxury. "To have it, to savour it, to forget it for a moment, or to fill it with special memories: that's what the Excelsior and the Charles Bar stand for." The words of Charles Roulet, fifth generation owner of our hotel.

A trusted favourite among the people of Cologne, the Charles Bar is still something of an insider tip on the international scene. Roulet's passion for gourmet cuisine shines through every drink and dish. The signature drink is the Charles Negroni, a mix of gin, Campari and vermouth – Charles Roulet's favourite.

On the food menu you'll find a range of classics and vegan alternatives, plus of course our traditional gourmet beef tartare. Guests can look forward to the friendly service and bartending for which the Charles Bar is famous. And there's an impressive range of wines and champagnes, including Limited Special Editions by international stars such as Lady Gaga and Lenny Kravitz. The smokers' lounge offers a curated selection of cigars.

Don't miss our exclusive events such as the Piano Nights and Beats and Bites Afterwork.

The bar is open daily from 12 noon.
